See the reverse side for details on programs

SUMMARY OF 2011 FALL PROGRAMS

Dowsing: Energy Work for Improving Your Life – Medium, healer and energy worker, Louise Gebhart, has developed a dowsing workshop in which participants work with Universal Energy Fields, manifestation techniques and pendulums. Learning the art of working with energies can help participants change their life's circumstances and conditions to improve happiness, health and overall wellbeing. Louise states, "I have been able to help people change their way of looking at life and dealing with negative situations that were presented to them. With prayer and intent, we can make this journey a pleasant and rewarding experience. It takes no special person or special abilities to do this work. It only takes one individual with true intent to make a difference." Please bring your own pendulum. To register, call or email the church.

A.S.H.A Spiritual Healing Program – The Association of Spiritual Healers of Alberta (ASHA) offers an excellent healing certification program. This program provides Student Interns with 8 weeks of instruction and supervised training in energy healing as well as monthly workshops. The \$180 tuition fee covers text book, teaching materials and annual membership fee. To register call Jane at 403-255-1945 or email contact@spiritualhealers.ca. For more information go to www.SpiritualHealersAlberta.ca.

Mini Readings – The church is planning to hold Mini-Readings as a **Fund Raiser**. Refreshments will be served upstairs in the sanctuary while the Church platform mediums and developing mediums are giving mini-readings downstairs. Come and support this autumn fund raiser.

Séance Circle – Donna Kiss will provide participants with an actual séance experience. She will go to each person and describe the entity or entities that are with them and bring spirit messages. Donna has a high level of success in making contact when requests are made to speak to specific individuals from the Spirit World. Circle size is limited to 8 or 9 so please register early. To register call or email the church.

Orientation Course In Modern Spiritualism – Rev. Ella Groves will be teaching a weekend program that covers an overview of the Religion, Science and Philosophy of Spiritualism. The orientation program is a requirement for those wishing to apply for church membership, but everyone is welcome to attend. There is no charge for this program. There is a sign-up book at the back of the church or registration can be done through the church.

Stansted By the Rockies – Join Stansted mediums, Rev. Libby Clark, Tim Abbott and CFSC mediums, Donna Kiss and Louise Gebhart at the Carriage House in Calgary. This is an excellent opportunity to attend an intensive mediumship training program without the expense of travel to the Arthur Findley College in England. All levels of mediumship development can be accommodated by this wonderful team. The registration deadline for *Stansted By the Rockies* is September 7th.

Other Events Featuring Rev. Libby Clark & Tim Abbott – There is an opportunity to see Libby and Tom do a public demonstration of mediumship at *An Evening with Spirit* to be held at U of C. During her last visit, Libby Clark did an astounding demonstration of trance healing with her spirit doctor, Dr. James. Libby Clark is offering a two day *Trance Healing Workshop* for those interested in doing trance healing work. During the week, Libby will be available to do *trance healing sessions with Dr. James*. Libby & Tim are also available for *private readings*. Registrations for workshops or to book a reading or healing are done through the church.

91st Anniversary Open House & Potluck Supper – The Calgary First Spiritualist Church was incorporated on November 18, 1920, and this year the CFSC is celebrating its 91st anniversary. Come and enjoy a potluck supper, refreshments and visiting. Bring a supper dish or dessert to share. All are welcome. Following the potluck supper, there will be a special anniversary service.
