PAUL & DEBORAH REES

Paul and Deborah Rees are professional mediums who met at the renowned Arthur Findlay College, Stansted Hall, England in 2004. They have also trained with the Spiritualist National Union (SNU) and some of the world's most accomplished mediums. Together they formed Accolade Academy, a company dedicated to inspiring and training others in the art of mediumship, as well as offering excellence in private readings and public demonstrations. This husband and wife team from Wales will be holding workshops on the east and west coast of the USA before coming to Alberta and British Columbia on their spring tour. This will be their second visit to the Calgary First Spiritualist Church. Paul and Deborah's approach to their work is very simple. They believe we all have the ability to link with spirit; it is not a gift but an awareness that is our birth right.

EVENING TEA WITH THE MEDIUMS — Rev. Paul & Rev. Deborah Rees are offering an exciting and entertaining evening of connecting with Spirit through a demonstration of mediumship. They excel in their ability to connect with Spirit, give detailed evidence and provide deep, uplifting messages. It will be a fun night and an opportunity to meet the mediums in person. Ticket costs are \$15 at the door. Refreshments will be served after the demonstration.

INTENSIVE PRACTICAL MEDIUMSHIP — This is a mixed abilities course in which the instructors work with each person individually according to their experience. In this workshop you will learn techniques to help you 'hold your link', concentrate on the depth of evidence given during demonstrations, and give 'one to one' readings, so it will meet today's standards. You will also learn how a 'NO' response can be healthy in your development, and give you the correct tools to be sure you sustain consistency within your delivery. It is a workshop that gives the maximum amount of development within a minimum amount of time, works you hard and pushes the boundaries within your mediumship. **Remember you are the medium, and it's up to you to deliver your mediumship.**

COMMUNICATION IN THE 21st CENTURY — Aiming at the more advanced student and those with professional mediumship aspirations, the focus will be on adding speed to your demonstrating, which will enable Spirit to pass on more information in less time; working to keep your demonstrations interesting by exploring double links, and mixed messages (working with more than one recipient at a time); spending time focusing on your psychic faculty as well as your mediumistic ability when working on your 'one to one' private sittings, as more and more guidance is being requested by clients; learning how to hold your link when working in less than perfect surroundings and much more. **Remember to be a professional working medium you have to train like a professional!**

PRIVATE READINGS — with Paul or Deborah Rees

This will be a wonderful opportunity to arrange for a private reading with either of these two excellent mediums. To book a reading: email info@calgaryfirstspiritualistchurch.ca or call the church at 403-283-1102.
