

Calgary First Spiritualist Church presents...

SÉANCE CIRCLE

with Donna Kiss

Sunday, February 5, 2012

In the *Séance Circle* each person will be given information about the 'people who are in spirit' around them, as well as being able to ask about specific people they would like communication with. Everyone has Relatives, Friends, Spirit Guides and Guardian Angels - *come meet some of yours in this circle.*

Please note: A Medium only attempts communication with Spirit, if a certain person is asked for, the Medium cannot promise that they will come through.
