Ethical Mediumship Spiritual Growth and Healing

NOVEMBER 2024 NEWSLETTER

HISTORICAL FACT THAT ALL SHOULD KNOW

It was five score and four years ago,
In downtown Calgary, by the river Bow

Calgary First Spiritualist Church began to grow!
That's historical fact that all should know!

It was Sunday school for kids at the very start,
A lyceum, which became an essential part
Of the **British Spiritualist Union's** throbbing heart!
C.F.S.C. was chartered in Alberta in 1920 to impart

Spiritual teachings of Andrew Jackson Davis to
Just a few kids in attendance, and later adults, too.
Attendance was sporadic; the church struggled for a few,
Until the Harshman sisters and their mom came into view!

Rev. Harry Collett dedicated this Hillhurst site in 1974
Rev. David Oliver and Avril served here, thirty years and more!
C.F.S.C. now thrives with members, courses and workshops galore!

Seven Principles will guide the way and will forevermore!

Meaningful meditations and mediumships take place;
Healing and miracle matters and more topics we embrace;
Some come here for comfort from their so-called falls from grace.

Is it not true that **God** has no intent to disgrace?
We're truly grateful for this warm and wonderful worship space!
