CONNECTING WITH THE UNIVERSAL ENERGY THROUGH THE USE OF A PENDULUM

As a senior church Medium, healer and energy worker, **Louise Gebhart**, has developed a workshop in which participants work with Universal Energy Fields, manifestation techniques and pendulums. It is titled *Connecting with the Universal Energy Through the Use of a Pendulum* to be held on **April 19** from **1:00 to 4:00 pm**. Learning the art of working with energies can help participants change their life's circumstances and conditions to improve happiness, health and overall wellbeing. Louise states, "I have been able to help people change their way of looking at life and dealing with negative situations that were presented to them. With prayer and intent, we can make this journey a pleasant and rewarding experience. It takes no special person or special abilities to do this work. It only takes one individual with true intent to make a difference."
